Well the Easter decoration around the home didn't disappoint, there were lots of themed activities like egg painting, best coloured egg, and fine display of Easter bonnets

A sneak preview of one of the handmade Easter bonnets, and just look at the production line for the Easter bonnets. The residents all received a Easter gift bag, with some edible goodies inside

Just a few snaps of the day

It's lovely to see the flowers starting to bud and the lighter evenings, the maintenance team will be making a start on the grounds getting them ready for the spring and summer season - hopefully we'll get some good weather soon and we will be able to enjoy the lovely grounds.

Glaslyn News

The Management team would like to make you all aware that we will be undertaking a substantial repair to the roof of Glaslyn Court. To do this we need to erect scaffolding around the whole building. The work is due to start in the next 2 - 3 weeks and is expected to last around 3 months, during this work we will be installing solar panels on the roof.

We understand that this may cause some disruption and inconvenience when visiting, we will try our upmost to make it as painless as possible, but, we do ask that you understand that we may need make changes at short notice .

For health & safety reasons, the visitor pod will be out of action during this time and all cars must be parked away from the main building of Glaslyn.

We thank you for your understanding during this time, if you have any concerns or questions please either give us a call or email info@glaslyncarehomes.co.uk
